FM 4-30 FEF 071500JAN14-rp - United States Army

1-2. Ordnance corps support begins within the continental U.S. at the industrial base. This support is projected globally to any military area of responsibility and is consistent throughout the generating, operating, and tactical force structures. Support at the industrial base is achieved through the development,

An Engioeeriog Moreria

Preface Bamboo to the Eastern man has for ages been the source/fountainhead of a myriad uses. The house he lives in, the bridge he uses, the pipes through which he distributes water, are all made of bamboo. For these applications, he made use of some remarkable properties of bamboo such as its excellent strength. Bamboo is as strong as timber and some species ...
