**Gandhi** Ramachandra Guha 2014-05-06 Mahatma Gandhi wordt algemeen beschouwd als een van de invloedrijkste figuren uit de wereldgeschiedenis. Wie was deze kleine, op het eerste gezicht onaanzienlijke man, die als eerste het verzet tegen de racistische, onderdrukkende politiek in Zuid-Afrika leidde, die het machtige Britse Rijk op de knieën wist te krijgen en op geweldloze wijze de onafhankelijkheid van India wist af te dwingen? In het eerste deel van deze grootse biografie weet historicus Ramachandra Guha een levendig beeld te schetsen van Gandhis jeugd in India, zijn studiejaren in Londen en

zijn lange verblijf in Zuid-Afrika tussen 1893 en 1915. Zijn turbulente jaren en strijd in Natal en Transvaal zouden hem uiteindelijk vormen tot een politiek leider en groot voorvechter van gewelddoos verzet tegen ongelijkheid en discriminatie. Persrecensies 'Een indrukwekkend gedetailleerd naslagwerk.' NRC Handelsblad 'Eindelijk een geschiedenis van democratisch India die net zo fascinerend is als het land zelf [] een meesterwerk.' Financial Times 'Dat hierover ooit nog een beter boek geschreven zal worden is nauwelijks voorstelbaar.' Sunday Telegraph

*The Routledge Handbook of the Other Backward Classes in India* Simhadri Somanaboina 2021-11-16 This handbook presents an authoritative account of the development of movements, thoughts and policies of OBCs (Other Backward Classes) in India. Despite the adoption of egalitarian principles in the Indian Constitution, caste inequalities, discrimination and exclusionary practices against people from backward classes and other lower castes continue to haunt them in contemporary India. A comprehensive work on the politics of identity and plurality of experiences of OBCs in India, this handbook: – Features in-depth research by eminent scholars on the Other Backward Classes (OBC) social and political thought, OBC movements and OBC development and policy making. – Discusses the life, ideologies and pioneering contributions by Gautam Buddha, Sant Kabir, Jotirao Phule, Savitribai Phule, Shahu Maharaj, Narayana Guru, B.R. Ambedkar, Ram Manohar Lohia, and E V Ramasamy Periyar and leading social reform movements. – Examines OBC issues with case studies from various Indian states to look at issues of pre- and post- Mandal India; backward caste movements; and reclamation of the Bahujan legacy. – Critiques public policies and programs for the development of OBCs in India. – Reviews the status of Muslim OBCs in India and of the invisibilized nomadic communities. – Reviews the impact of globalization on the economically backward lower castes and the impact of development initiatives for the excluded people. The first of its kind, this handbook will be essential reading for scholars and researchers of exclusion and discrimination studies, diversity and inclusion studies, Global South studies, affirmative action, sociology, Indian political history, Dalit studies, political sociology, public policy, development studies and political studies.
