questions at the beginning of the test, which you will have 90 seconds to complete. • The audio portion is approximately 80 minutes long, divided between five sections. The first section will test your ability to identify stress patterns in gibberish words. The remaining sections use a gibberish language structured with grammatical

### *Abstract Reasoning - Psychometric Success*

to consist of questions which have little or no application in the real world. Yet these types of question appear in most graduate and management aptitude tests. Why is this? Abstract reasoning tests date back to the research done by the psychologist Charles Spearman in the 1920's. Spearman used a statistical technique called factor analysis
