**Photography** Vincent Oliver  
2005-03 This title will provide the reader with the advanced techniques to truly master the new photographic media. Structured around the three main areas of shooting the image, enhancing the image and enjoying the image, the Digital Photography series makes the world of digital imaging simple while concentrating on the photographic aspect. With the aid of inspirational images we are shown in easy steps how the image was taken, manipulated on the computer and output in the desired form.
